Sir:

Applicant respectfully requests that the Examiner correct the title in the Notice of Allowance as amended in the Reply filed on March 13, 2006. As indicated therein, the title should read:

METHOD OF TREATING OR INHIBITING OBESITY

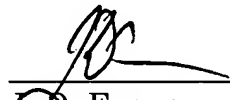

Furthermore, the Notice of Allowance gave no indication that the certified copy of the priority document was received by the Office. However, it is noted that Applicant properly submitted a certified copy of the priority document in the parent application, Serial No. 09/907,440, now Patent No. 6,946,243. A copy of the priority document can be found in the Office's image file wrapper for the parent application. Accordingly, it is respectfully requested that the Examiner acknowledge receipt of the priority document in a Supplemental Notice of Allowability.

Additionally, Applicant has not received acknowledgement of consideration of the Information Disclosure Statement filed on June 29, 2004. Applicant respectfully requests that the Examiner initial and return copies of the Forms PTO-892 and PTO/SB/08a attached thereto. Copies of these forms can also be found in the image file wrapper for the instant application.

If there are any questions regarding this request, a telephone call to the undersigned would be appreciated.

Respectfully submitted,

March 27, 2007
